

Open Computing Facility

Fall 2016 General Meeting

What is the OCF

Student Group Founded in 1989 focused on:

- Free & Open Source Software
- Helping the Berkeley Community
- Working with cool expensive hardware (\$\$\$)
- A place to work on cool projects with other people, with the OCF infrastructure and resources (\$\$\$)
- A nice place to have card key access to

What the OCF is not

- Exclusive to any major/people with existing knowledge
- The OFC (modulo April 1st)
- The “Berkeley Printing Service”
- A Resume Farm

Who is the OCF

- What year are you?
- When did you join the OCF?
- Why?
- Favorite things about the OCF?

What does the OCF do

(for its members)

- Web Hosting and remote shell access for over 30k student accts, over 90% of student groups on campus
- @Group.berkeley.edu emails and group.berkeley.edu domains
- Computer Lab with free printing
- Volunteer Staff Hours
- Your next idea
- And more!

What does the OCF do

(for its staff)

- Training on how to use OCF infra
- Access to >40k/year
- 24/7 lab access + access to all OCF servers
- Tech talks on general topics and helpful software (vim, tmux, git, ldap, vim, puppet, mesos, gpg, vim, etc.)
- Staff Hours
- Just For Fun Events (CSGO LANs, outside speakers, your best fun idea, etc.)
- Recruiting Events (Facebook planned, more in the future?)
- Your next idea
- And more!

Intermission

Thanks for flying
OCF

What is BoD?

- Weekly meeting where we discuss any and all things OCF+anything else we want
- Where funds are allocated and important OCF decisions made
- Decisions made via consensus vote*
- Do you attend BoD? Congrats, you're on our BoD!*

What are Staff Hours

- A set time where ocf staff agree to be in the lab to help users, work on projects, talk about things ocf+otherwise, etc.
- A place to learn about OCF infra from other OCF staff
- Where I play csgo in the lab when I'm bored

Projects This Semester

- Upgrade to upcoming Debian release
- Email system improvements
- Slack+irc integration
- Arduino/RasPi Based LED sign
- OCF designs for posters, website, wallpapers, etc.
- Many more things don't have time to get into detail of
- Your next idea

More?

- Attend our Board of Directors (BoD) meetings
Mondays @ 7:10 in the Lab
- hello.ocf.io
- ocf.io/docs & ocf.io/docs/staff
- github.com/ocf
- For the particularly adventurous, ocf.io/bod

Questions?

- Feel free to ask any OCF staff
- help@ocf.berkeley.edu
