Rules Summary:

1. Alternate turns pulling one piece out of the tower
2. Place each pulled piece into the bucket
3. Work together to develop a strategy which gets your team the most pieces
4. When the tower falls, record how many pieces are in your bucket (including the last piece pulled which made the tower fall)
5. Rebuild the tower and play again
6. Your RA will return in 30 minutes, and you MUST stop at that time
