**ANNOUNCEMENT:**

In previous years, there have been significant problems involving unauthorized persons on the competition floor. Unauthorized persons on the competition floor present a risk to those working and competing, jeopardize the fairness of the scoring, and promote delays in the schedule. As a result, beginning this year, the staff has been required to implement a zero-tolerance policy with regards to this issue.

As always, only authorized personnel, judges, and competitors will be allowed on the competition floor. Tournament staff will be conducting continuous floor sweeps to enforce this. All offenders will be escorted off the premises and their admissions revoked. If the offender is a parent, coach or associate of a competitor who is currently on the floor for competition, that competitor will be disqualified. Should the offender be associated with multiple competitors on the floor, one will be disqualified at the discretion of the staff. In all such cases there will be no refunds.

Thank you in advance for your cooperation.
