

## Feedback Form

Name: \_\_\_\_\_ Worksheet Name: \_\_\_\_\_

Course Title: \_\_\_\_\_ Number of students: \_\_\_\_\_ Date: \_\_\_\_\_

Institution Name: \_\_\_\_\_

## Initial Ideas

1. What were the approximate percentages of students choosing each of the answers in the Initial Ideas Vote?

(A) \_\_\_\_\_ %      (B) \_\_\_\_\_ %      (C) \_\_\_\_\_ %      (D) \_\_\_\_\_ %      (E) \_\_\_\_\_ %

What were the three most common explanations given for the students' choices in Question 1? Please indicate which answer choice corresponds to the explanation.

2. Approximately how long did it take to complete this section with your students? (Circle.)

Time taken for Initial Ideas ..... < 5 min                      5-10 min                      > 10 min

3. Was the Initial Ideas question at the appropriate level for your students? (Circle.)

Level of Initial Ideas ..... Too easy                      Just right                      Too difficult

4. Was the Initial Ideas question clear to the students? (Circle.)                      Yes                      No

If no, please give us some comments for improving the Initial Ideas question.

### Exploring

5. Approximately how long did it take to complete this section with your students? (Circle.)

Time taken for Exploring ..... < 15 min      15-20 min      21-30 min      >30 min

6. Were the Exploring exercises at the appropriate level for your students? (Circle.)

Level of Exploring exercises.....Too easy      Just right      Too difficult

7. Rate the level of engagement of your students during the Exploring section. (Engagement includes interacting in groups, working on the problems, asking appropriate questions.)

< 25 % of students engaged      25 - 50% of students engaged      50 – 75% of students engaged      > 75% engaged

8. Please give us some comments for improving the Exploring section.

### Closure

9. Approximately how long did it take to complete this section with your students? (Circle.)

Time taken for Closure ..... < 5 min      5-10 min      11-15 min      >15 min

10. Rate the level of engagement of your students during the Closure section. (Engagement includes paying attention, asking appropriate questions.)

< 25 % of students engaged      25 - 50% of students engaged      50 – 75% of students engaged      > 75% engaged

11. Please give us some comments for improving the Closure section.

### Applying the Ideas

12. Approximately how long did it take to complete this section with your students? (Circle.)

Time taken for Applying the Ideas ..... < 5 min      5-10 min      11-15 min      >15 min

13. Were the Applying the Ideas exercises at the appropriate level for your students? (Circle.)

Level of Applying the Ideas.....Too easy      Just right      Too difficult

14. Rate the level of engagement of your students during the Applying the Ideas section. (Engagement includes interacting in groups, working on the problems, asking appropriate questions.)

< 25 % of students engaged      25 - 50% of students engaged      50 – 75% of students engaged      > 75% engaged

15. Please give us some comments for improving the Applying the Ideas section.

### Overall

16. How well does this discussion sheet fit into your course syllabus? (How well did this discussion sheet align with the topics in your course?)

Alignment with course topics.....Poor      Average      Good

17. Did you find this discussion sheet to be a helpful learning tool for your students? (Based on asking good questions, on giving correct and thorough answers, on performing well on the Check-In quiz.)

Effectiveness of Discussion Sheet..... Not Useful      Useful      Very Useful

18. Do you have any additional comments? Was there anything you found particularly frustrating about the worksheet?
