SIGN-ON INSTRUCTIONS TO ACCESS ONLINE NEWSPAPER (eIBD) & OTHER FEATURES:

Go to www.investors.com.

Enter one of the codes below into both the "Username" and "Password" windows on the right side of the screen and click "Go."

Next, click on the "eIBD Digital Edition" link located on the right side of the screen. A large graphic of a laptop computer should appear.

Click on the "New and Improved Version" link to the left of the laptop. The front page of the paper should appear.

You can navigate through the paper by clicking one of the section titles to the left, or putting your cursor on the top corner of the page. To view an article, put your cursor over the article and double-click.

TODAY IN IBD > "THE BIG PICTURE":

This is a section that you should try to read every day. Click on the "Today in IBD" link on the left side and then on "The Big Picture." Here, you can read a daily an analysis of the market actions for the day, any major financial news, and leading stocks for the day. It's critical to know how the market is doing as many stocks follow the movements of the market.

MARKET PULSE

Friday's action:

Stocks end mixed as bond yields tick higher

Current outlook:

Market in confirmed rally

Distribution days:

3 for Nasdaq, S&P 500 in past 4 weeks

Leaders up in volume:

MEMC Electronic^{WFR}, Talx^{TALX}, VistaPrint^{VPR}, NBTY Inc.^{NTY}, Tempur-Pedic^{TPX}, Stryker^{SYK}

Leaders down in volume:

Cash America^{COH}

TO ACCESS THE STOCK CHARTS:

The IBD website also provides large, color-coded daily and weekly charts. To save time, key decision-making data is embedded inside the graphs: 50-day and 200-day moving averages, daily average volume, proprietary ratings, price quotes, and more.

On the right side of the homepage, click on "IBD Charts" to access the charts.

DAILY STOCK ANALYSIS:

Every day, IBD will provide a report on a stock, analyzing the company's fundamentals and technicals. This report allows you to see what you can look out for when analyzing stocks and determining if they are potential winners. This report is particularly useful when trying to understand how to analyze a stock's chart.

To access this, click on "Daily Stock Analysis" link on the left side of the homepage.

LEARNING CENTER:

Provides educational resources for free (without signing-in) on stocks and the analysis. Good place to learn and get additional details on understanding the CAN SLIM method of investing.

To access this, click on "Learning Center" link on the left side of the homepage.
