Re: Mr. and Mrs. Jonathan Choy

Dear Mr. Zohoori:

I have been approached by the Choys regarding the delay in their receiving their two DVDs and their wall portrait. It is my understanding that the wedding was more than six months ago and the DVDs were ready more than a month ago, but have not been delivered. Please advise me within ten days of this letter as to a firm delivery date for the remaining items the Choys are owed. If an acceptable delivery date is not received before March 18, 2008 then I will assist the Choys in filing a suit against you for damages.

Thank you for your prompt assistance and cooperation in this matter.

Very truly yours,

Eben L. Kurtzman
