

Week 2 Announcements

- Website:
<http://www.cchem.berkeley.edu/grfggrp/chem125/>
 - Course announcements, handouts, lecture notes, lab manual, syllabus and contact information
- Please pick up Week 2 homework assignment and *Spreadsheet Exercises* handout
 - Data files for spreadsheet exercises are on the website
 - Read *A Guide to Library Work in Physical Chemistry* handout on the website

Week 2 Announcements

- Lab sign ups available “day by day”:
 - Monday time slots for Week 4-5 posted on Monday, Jan. 29
 - Only Monday students allowed to sign up
 - By Tuesday, any remaining Monday time slots are open to everyone – then Tuesday sign up will be posted for Tuesday students, etc.
- Ensures that lab time is available to students on the day that they are registered

Week 2 Announcements

- Sign up for only ONE experiment
 - You can sign up for *extra* experiment time only on the day after the sign up is posted
- Pre-labs offered every other week
 - Dates/times announced in lecture
 - Pre-lab sign-ups posted after lecture
 - More Group I pre-labs starting Wed, 1/31
- You CAN attend a pre-lab if you forget to sign up, but not an experiment

Week 2 Announcements

- If you did not get an email with course updates by Monday, we do not have your correct email address - please see Allison
- Unpartnered students, see Allison immediately after class
- Questions ??? Please ask now!
