

Community Service Volunteer Application

The minimum volunteer requirement to become an active member of PILLS is 4 hours. You may participate in PILLS sponsored events in which case you do not need to turn in this form. Otherwise, please volunteer for one of the organizations on the PILLS pre-approved volunteer list and e-mail this form to Betty Liang, bettyliang@berkeley.edu under the title "PILLS COMMUNITY SERVICE APPLICATION". You may petition to volunteer for an organization not listed but it is **NOT** guaranteed for approval. Events cannot be cross-listed with other student groups on campus. For your hours to count, you must be able to provide verification from a supervisor.
