

SID (write very clearly): \_\_\_\_\_

Each of the items below describes situations that may happen to college students. Please imagine that you are in each situation. You will be asked to consider the following questions as a **member of your own ethnic group**:

- How concerned or anxious would you be about how the other person would respond?
- How do you think the other person would be likely to respond?

**You are working on a group lab project with several other people from your class. While working, several people mentioned a movie they would like to go see afterwards. Someone offers to call people later to organize it.**

- How concerned would you be over whether you will not be called for the social outing?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- They would not call me for the social outing.  

Very unlikely					Very likely
1	2	3	4	5	6

**Your mother is visiting you this weekend, and she made your favorite home-cooked dish for you to take to school on Monday.**

- How concerned would you be that other students would ridicule the composition of your lunch?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- Other students would ridicule the composition of my lunch.  

Very unlikely					Very likely
1	2	3	4	5	6

**Imagine that you are in lecture, and the professor poses a difficult question for the class. You happen to know the answer to the question, and would like to raise your hand.**

- How concerned or anxious would you be that other students in your class will think negatively of you if you raise your hand?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- Other students will think negatively of me if I raise my hand.  

Very unlikely					Very likely
1	2	3	4	5	6

**You ask a salesperson at a store about a product, and she mumbles a response that you don't catch. As you ask her to repeat what she just said...**

- How concerned would you be over whether the salesperson would think you are asking because she thinks you don't speak English?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- She would think I'm asking because I don't speak English.  

Very unlikely					Very likely
1	2	3	4	5	6

**You are in a shopping mall. Right in front of you is a large group of people your age who are the same ethnicity as you, talking loudly in a foreign language. There are several other shoppers around you.**

- How concerned would you be over whether the shoppers would assume you're with the group?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- They would assume I'm with the group.  

Very unlikely					Very likely
1	2	3	4	5	6

**You have a big science exam coming up, and some of the students would like to organize their own study group. You are asked to join the group.**

- How concerned or anxious would you be that they will not like you if you don't know the answers?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- They will not like me if I don't know the answers.  

Very unlikely					Very likely
1	2	3	4	5	6

**The annual school dance is happening soon, and there is someone that you know fairly well that you would like to go to the dance with.**

- How concerned or anxious would you be that s/he will turn you down because of your ethnicity?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- S/he will turn me down because of my ethnicity.  

Very unlikely					Very likely
1	2	3	4	5	6

**On the first day of your engineering class, your professor asked the students to form groups to work on the class project over the course of the semester. Several other students asked you to join their group.**

- How concerned or anxious would you be that they will not like you if you don't know the answers?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- They will not like me if I don't know the answers.  

Very unlikely					Very likely
1	2	3	4	5	6

**You are at a party, and you are introduced to a friend of a friend, who proceeds to ask you where you're from.**

- How concerned would you be that he/she is actually asking about your ethnic/national origins?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- He/she is asking about my ethnic/national origins.  

Very unlikely					Very likely
1	2	3	4	5	6

**You call an attractive person that you know fairly well, and you left a message on their answering machine about going to dinner sometime.**

- How concerned would you be over whether they would not reply because of your ethnicity?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- They would purposely ignore me because of my ethnicity.  

Very unlikely					Very likely
1	2	3	4	5	6

**One of your classmates who happen to be of the same ethnicity is having difficulty with a class assignment. You offer your help to the person.**

- How concerned would you be that other students would think your help was offered due to the ethnicity of the classmate?  

Very unconcerned					Very concerned
1	2	3	4	5	6
- Other students would think my help was offered due to ethnicity.  

Very unlikely					Very likely
1	2	3	4	5	6
