The Gender Equity Resource Center (GenEq) is a part of the Division of Equity & Inclusion and is committed to providing programs, services and resource information that increase knowledge, awareness and understanding of gender, sexual orientation, sex and gender identity, relationship violence, sexual violence and bias related incidents.

The staff and student interns of GenEq strive to foster a welcoming friendly environment where students, faculty, and staff feel comfortable exploring issues of social justice. We provide workshops, host lectures, advise student groups, and sponsor events in honor of Women’s History Month, Domestic Violence Awareness Month and National Coming Out Day - just to name a few.

GenEq is a safe environment for those interested in forming a community that welcomes difference. Our program areas include:

**Bias Incidents/Hate Acts Education** is a new GenEq program formed to address acts of hate and intolerance by providing educational outreach. We also aim to provide support services and resources for those who have been victims of, or who have witnessed, hate crimes, bias-related incidents or other forms of discrimination. This program is currently under development, so stop by or check [http://www.asuc.org/hatecrimes](http://www.asuc.org/hatecrimes) or [http://stophate.berkeley.edu](http://stophate.berkeley.edu) for updates.

**Lesbian Gay Bisexual Transgender Programs & Services** provides information, support services and educational outreach for and about the lesbian, gay, bisexual, transgender, intersex and queer communities. We plan and promote numerous lectures, discussions and workshops each year. We also provide support and advocacy to those seeking assistance with coming out, transitioning, harassment or locating LGBT specific resources.

Interns and volunteers are integral to the work at GenEq.

**We produce programs & events such as**
- V-Day
- Transgender & Intersex Awareness Days

**We create Info Sheets such as**
- Sexual Orientation
- Heterosexuality Questionnaire
- Dating Violence

**We also facilitate workshops such as**
- Cal Ally Workshop
- Healthy Relationships

And we do much more! For info, contact us or stop by 202 Chavez.

Women's Programs & Services provides information, support services and resources for women at Cal. We collaborate with other departments to develop workshops, programs and conferences on issues that are important to women. We welcome all persons who ever have, currently do or ever will identify as “woman.”

Sexual Harassment/Assault Advocacy, Response & Education fosters an informed and safe campus community. SHAPE (Sexual Harassment/Assault Advocacy and Peer Education) exists to increase campus awareness on sexual harassment, relationship violence, stalking, sexual assault and rape. Workshops are available for residence halls, classes and student groups. Trained professional staff and SHAPE Advocates meet on an individual basis with students who may have experienced sexual harassment/violence. Support services range from assistance with the complaint resolution process to short term crisis intervention.
