

Phil 104, Third Paper Topic

Due: Thursday, May 3, in class, before lecture begins (=9:40).

Maximum Length: Five double-spaced pages, 12-point font, one-inch margins

What is Moore's explanation of what we mean when we say, "Pleasure is good"? What is Ayer's explanation? Compare and contrast. What are the advantages (if any) and disadvantages (if any) of each explanation?
