COP Connect

TOURO UNIVERSITY
CALIFORNIA

COP Connect

Mission Statement

COP Connect is a mentorship program whose goal is to establish a long lasting “connection” between the students of Touro University California and students who express interest in the pharmacy healthcare profession.

Our Goal

To pair undergraduate pre-pharmacy students with first or second year Touro Pharmacy students

COP Connect

Pharmaceutical Science

TOURO UNIVERSITY
CALIFORNIA

Master of Science in Medical Health Sciences (emphasis in Pharmaceutical Sciences)

What is the MS-MHS degree?

- One year, research-intensive program
 - August 1- May 31 (Ten months)
- Work closely with the College of Pharmacy
- Write a thesis, look forward to a publication
- Admissions requirement: BS or BA degree

Note: If you ultimately plan on entrance into the College of Pharmacy, you will be expected to satisfy all academic requirements.

What does it offer me?

- Research experience and publications alongside Touro University's pharmacy faculty
- PharmCAS assistance and mock interviews with Touro faculty and pharmacy students
 - **Note: MS-MHS students with a GPA of 3.0 are guaranteed an interview!**
- Attend pharmacy classes (with P1s/P2s) when time permits
- PIs are faculty --> look forward to building very strong relationships with most of the pharmacy faculty
- Mentorships with the first and second year pharmacy students
- Sit in on seminars/ workshops alongside the pharmacy class
- Develop your presentation skills

Success Story

“I wanted to let you know that I have gotten an interview for Touro University’s MS-MHS program! I could not have gotten here if it were not for the COP Connect workshop. You really inspired me to pursue this program specifically at Touro, not only because of the research component, but also because I felt so welcome by COP Connect!”

- July 2, 2014
